SUBJECT: Concurrence with the Field Sampling Plan for the San Francisco Electric Liability Project site, located near 25<sup>th</sup> Street and Michigan Street, San Francisco

Dear Mr. Pfanner:

Water Board staff have reviewed the subject report, submitted on February 3, 2006 by CH2M HILL on behalf of the City and County of San Francisco (the City).

The workplan addresses the issues discussed and agreed to by all parties in the January 31, 2006, meeting between Board staff and representatives from the Department of Toxic Substances Control, CH2M HILL, the City, and the Energy Commission and its consultants.

Water Board staff concur with the work proposed and its implementation time schedule.

If you have any questions, please contact Nancy Katyl of my staff at (510) 622-2408 [e-mail [nkatyl@waterboards.ca.gov](mailto:nkatyl@waterboards.ca.gov)].

Sincerely,
